In the event that the applicant becomes a member of the Region 23 High School Orchestra, the applicant agrees to attend all rehearsals and performances. If accepted into the region orchestra, the student is expected to fulfill their obligations of attending all rehearsals and sectionals and carry the honor of performing in the region concert at the conclusion of the region clinic. **The Region 23 Orchestra Division believes that All-State participation is one of the highest educational processes open to the high school music student. Therefore, it is absolutely necessary that every student selected to the All-State Orchestra will have participated in all TMEA Region, Area, and State activities, rehearsals, and concerts to the best of their abilities. A student who fails to meet their obligations to the Region Orchestra will be entered into the appeals process, possibly jeopardizing their entry in the Area/All State process. Conflicts with other organizations, personal discomforts, personal schedules, etc. will not constitute a reasonable excuse for missing any activities in this region. Exceptions: personal illness, hospitalization and doctor's notes will be dealt with individually at the discretion of the Region Chair. The Region Chair must be notified of such special circumstances immediately. Absolutely no deviation from this schedule will be allowed. If you cannot meet these obligations, please do not apply for or accept membership in these organizations.**
