TSSEC REMINDERS:

- 1) Thank you to the students who brought in their **"Request for Post-Activity Student Release" forms** today. *All students must ride the bus to UT in Austin (departing at 5:00AM) and may ride back on the bus (arriving back to THS at 10:00PM). A student may ride home with their parent provided that the student has returned a completed "Request for Post-Activity Student Release" form to Mr. Engelmann on or before Thursday, May 28, 2009. **Students may only ride home with one of their parents. They may not ride home with any other adult or student.***
- 2) All student soloists need to bring their **solo original** to contest for the judge to use during your performance. You will only need to bring an **ensemble original** if you provided that for your group. If you found your ensemble in the THS Orchestra Library, then we will provide an original for your judge.
- 3) Dress well for your performance(s). It really does make a difference to the judge hearing you. Dressing well indicates that you respect your adjudicator.
- 4) Get plenty of rest Friday night. Arrive early on Saturday morning (4:45AM). I will be here at 4:30AM.
