

Dear Orchestra parents,

Please register our Orchestra for the Good Neighbor Program with your Randall's card by filling in your card number on the attached form and returning it to Mr. Capshaw. We will take care of getting the forms to Randall's. (or you can return the form to a Randall's courtesy booth.)

The Good Neighbor Program will donate 1% of grocery purchases to the Orchestra when you use your card-but only if our number is linked to your card in their system!

Thank you,
