MIDWEST CLINIC: An International Band and Orchestra Festival:

*The Taylor High School Orchestra received exciting news recently. The Taylor High School Symphony Orchestra, under the direction of George Engelmann, Christopher Bailey, and George Liverman has been selected to perform at the **Midwest Clinic: An International Band and Orchestra Conference** in Chicago, Illinois in December 2011. We are very proud of all of the students that made this high achievement possible. This is in the highest national honor that a high school orchestra could earn. Each year over 15,000 music educators, composers, and conductors attend this world known festival. Ensembles come from as far as the Japan to perform for this five day festival.*
